

Corre, corre, niño
pajaritos vuelan
Que las estrellitas
ya estan en la escuela.
La maestra luna
dicta la lección
y una nube negra
es el pizarrón.

Run, run children
little birds are flying
All the little stars
have now gone to school.
The moon is their teacher
giving the first lesson
The cloud in the classroom
we call it the chalkboard.

Corre, Niño $\frac{2}{4}$
